

Vatsalya International School, Borsad
For students staying back for Sports Practices

12/12/2019

Cir/2019-20/71

Dear Parents

- While I am happy to see you cooperating with the school to give all possibilities of exploring his/her born talents in sports as well as academics, I request you to please guide your child at home for regular studies. Keep up this spirit with school and let us together strive for the best possible development of your child.
- You are kindly requested to help the school by parking your vehicle in the parking area near the volleyball court (4 wheelers & 2 wheelers) or in front of the school (2 wheelers only) in order to provide safety to all.
- Please request your child not to travel with anyone who is not authorized by you.

– Principal
