Dear Parents,

- Kindly attend a special meeting planned with all the parents of Assam tour going children in order to make you aware on all safety measures your child must take while touring especially against the ongoing corona virus threat. Only one parent is requested to attend this meeting in the school's computer lab sharp at 4:30 pm on 13<sup>th</sup> March 2020. Children need not attend this as the school has already updated them on this.
